OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 11 January 1972

25X1

2. (Secret - JMM) Went with Mr. Houston and [redacted] to meet with Mr. Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, and provide him with background material concerning the espionage laws and the handling of classified information which he had requested in connection with the upcoming investigation of the Nedzi Subcommittee in these questions. Slatinshek seemed satisfied with the material and said he would be calling on us further as his work progresses.

25X1

I briefed Slatinshek on latest information regarding the new Soviet ICBM silos and on our intelligence of the India/Pakistan crisis.

3. (Secret - JMM) Met with Carl Marcy, Chief of Staff, Senate Foreign Relations Committee, in connection with Chairman Fulbright's 4 January letter to the Director renewing requests for National Estimates regarding Southeast Asia. I told Marcy we saw no way of complying with these requests but wished to avoid a confrontation with the Chairman and wondered whether the Chairman himself had initiated this request. Marcy said the Chairman had been in Jamaica with his children and grandchildren since Christmas so he "didn't know" whether the Chairman had signed the letter in question. In any event, Marcy agreed a confrontation should be avoided if possible and he apologized for not keeping closer track of the matter himself (implying that had he done so we could have "talked it over" instead of dealing through formal correspondence.) I suggested that before proceeding further we have another round with the three young investigators-- Blum, Biles and Hollick--with whom Mr. Carver and I had conferred about a month ago and who had never followed-up our suggestion that they study transcripts of earlier hearings and then formulate specific substantive questions which we would try to answer. Marcy agreed with this suggestion and said he would so instruct the investigators.

4. (Secret - JMM) Met with Dorothy Fosdick, Staff Director, Subcommittee on National Security and International Operations, and brought her up-to-date on recent developments regarding Soviet ICBM silos and our intelligence coverage regarding the India/Pakistan crisis.

5. (Confidential - JMM) Met with Jim Kendall, Chief Counsel, Senate Preparedness Investigating Subcommittee, and provided him with additional unclassified material on the intelligence community reorganization and explained to him the significance of the reorganization by comparing the old and new arrangements governing the community.

6. (Secret - JMM) Met with Ed Braswell, Chief Counsel, Senate Armed Services Committee, and briefed him on latest information regarding Soviet ICBM silos and our intelligence coverage of the recent India/Pakistan crisis.

I told Mr. Braswell we foresaw problems if the Chairman decided to combine hearings on the nomination of a new DDCI and the significance of the reorganization of the intelligence community. Braswell said he fully agreed. I suggested he might pass our concern to Chairman Stennis and suggest that before the Chairman made a final decision on such hearings he consult the Director. Braswell said he would definitely do so.

8. (Confidential - GLC) Mr. James Gehrig, Staff Director, Senate Space Committee, asked that we postpone the briefing on Soviet space programs until Friday at 10:30 a.m. This has been arranged.

9. (Internal Use Only - LLM) Met with Donald Elisburg, Associate Counsel, Subcommittee on Labor, Senate Labor and Public Welfare Committee, to informally test a number of options for amending S. 2515, Equal Employment Opportunity Enforcement Act of 1971. Mr. Elisburg found one to his liking, although he would prefer to handle the matter by legislative history if at all possible, and he would like to have our final proposal, informally cleared by the Civil Service Commission, no later than Monday, 17 January.

11. (Internal Use Only - JGO) Received a call from Mrs. Franzetta DeGooyer, Senate Immigration and Naturalization Subcommittee staff, who said that Mr. Drury Blair, of the Subcommittee staff, would like me to come by his office the next time I am in the building.
